

Welcome to the Gin Bar!

We have over 200 varieties of Gin for you to try, all perfectly partnered with either New Forest or Fever Tree Tonics, or why not try a Prosecco serve for something extra indulgent. If we don't have your favourite, we would love to hear from you – you never know we might have it next time you visit. The team will gladly make some recommendations if you're too spoilt for choice or need help making a decision.
